

EX-IMPORT  
P T Y L T D

Product name: HELYX HYBRID CREAM DEVELOPER

Manufacturer: Ex-Import PTY LTD

This revision issued: 1<sup>ST</sup> AUGUST 2024

Page 1 of 3

### **Section 1: Identification of Chemical, Product and Company**

**Address:** Unit 5/92 Township Drive, Burleigh Heads, Queensland, 4220 AUSTRALIA  
**Telephone:** +61 7 5576 6388  
**Web/E-mail:** [www.elleebana.com](http://www.elleebana.com) or [info@elleebana.com](mailto:info@elleebana.com)  
**Trade name:** Helyx Hybrid Creme Developer 3%  
**Product Use:** Developer for colouring of hair  
**Creation Date:** August 2024  
**Revision Date:** August 2027

### **Section 2: Composition, Information on Ingredients**

**Pure Substance:**

**Ingredients I.N.C.I**

| INCI   | CAS NO.    | Wt(%) Range   |
|--|------------|---------------|
| Purified Water (Aqua)                        | 7732-18-5  | 70% ~ 73.5%   |
| Propylene Glycol                             | 57-55-6    | 12% ~ 15%     |
| Hydrogen Peroxide                            | 7722-84-1  | 5% ~ 6%       |
| Cetearyl alcohol                             | 67762-27-0 | 2.5% ~ 3%     |
| Ceteareth25                                  | 68439-49-6 | 1% ~ 2%       |
| Di-sodium phosphate                          | 7558-79-4  | 0.1% ~ 0.2%   |
| Sodium stannate                              | 12058-66-1 | 0.1% ~ 0.2%   |
| HEDP (1-Hydroxyethylidene) diphosphonic acid | 2809-21-4  | 0.05% ~ 0.10% |

### **Section 3: Hazards Identification**

Health Harm : Not applicable  
Environmental : Not applicable  
Major : Not applicable  
Blast Hazard : Not applicable

**Other Hazards**

No data available

### **Section 4: First Aid Procedures**

**Eye contact:** Rinse immediately with plenty of water for 10 minutes at least. Contact a physician if symptoms persist

**Inhalation:** Move to fresh air, sent to hospital for treatment and if breathing stopped, give artificial breathing

**Ingestion:** Wash mouth with water and give water to drink. Contact a physician if ingestion occurs.

### **Section 5: Fire Fighting Measures**

**Flammability:** non-combustible, non-flammable  
**Special procedures:** N/A  
**Flash Point:** Not Flammable  
**Upper Explosion Limit:** N/A  
**Chemical Impact:** Data not available

### **Section 6: Accidental Release Measures**

**Personal Attention:** Consult a physician in case of sensitivity or ingestion  
**Environmental Attention:** N/A  
**Methods for cleaning up:** Wash with Water – no danger to the environment.

### **Section 7: Handling and Storage**

**Operation Notes:** *No special notes*

**Storage notes:** Stored in a cool, dry and well-ventilated warehouse and avoid the sun, cut off from sources of heat and fire.

### **Section 8: Exposure Controls and Personal Protection**

|                                       |   |
|---------------------------------------|---|
| <b>Project Control:</b>               | No special notes                              |
| <b>Respiratory system protection:</b> | No special notes                              |
| <b>Eye Protection:</b>                | safety glasses are required                   |
| <b>Body Protection:</b>               | Protective work clothing required             |
| <b>Hand Protection:</b>               | wash hands and protective gloves are required |
| <b>First responders' protection:</b>  | No special notes                              |
| <b>Other protection:</b>              | No special notes                              |

### **Section 9: Physical and Chemical Properties**

|                             |   |
|-----------------------------|---|
| <b>Appearance:</b>          | White semi liquid lotion                            |
| <b>Odour:</b>               | Characteristic smell                                |
| <b>Colour:</b>              | White, opaque                                       |
| <b>pH:</b>                  | 1.5 – 3 (calculated at 27 degrees centigrade +/- 2) |
| <b>Melting point range:</b> | Not applicable                                      |
| <b>Boiling point range:</b> | Not applicable                                      |
| <b>Self-Flammability:</b>   | Not applicable                                      |
| <b>Danger of Explosion:</b> | Not applicable                                      |

### **Section 10: Stability and Reactivity**

|  |                                 |
|--|---------------------------------|
| <b>Shelf life:</b>                       | Stable under normal conditions  |
| <b>Thermal decomposition:</b>            | Cool and Dark place recommended |
| <b>Conditions to avoid:</b>              | Not applicable                  |
| <b>Hazardous decomposition products:</b> | None known                      |

### **Section 11: Toxicological Information**

|   |  |
|---|--|
| <b>Acute toxicity:</b>                  | N.A  |
| <b>Primary irritant effect on skin:</b> | May cause irritation to few people, on the eye – moderate eye irritant |
| <b>Allergenicity:</b>                   | Few people may be sensitive to the product                             |
| <b>Mutagenicity:</b>                    | N.A  |
| <b>Carcinogenicity:</b>                 | N.A  |

### **Section 12: Ecological Information**

|                                   |     |
|-----------------------------------|-----|
| <b>Ecological Toxicity:</b>       | N.A |
| <b>Biology Degradability:</b>     | N.A |
| <b>Abiological Degradability:</b> | N.A |

### **Section 13: Disposal Considerations**

|                                  |  |
|----------------------------------|--|
| <b>Castoff Kind:</b>             | Normal Industry Castoff  |
| <b>Castoff treatment method:</b> | Mix with equal qty of water, hold for 2 hours and incinerate at high temperature (600 degree Centigrade) |

### **Section 14: Transport Information**

|  |   |
|--|---|
| <b>Packing method:</b>   | Carton  |
| <b>ADG Code Classification:</b>                                | Not classified as a hazardous material or as a dangerous good. No special transport conditions are necessary unless required by other regulations |
| <b>Finished packaged product transported by ground (DOT):</b>  | Non-hazardous   |
| <b>Finished packaged product transported by vessel (IMDG):</b> | Non-hazardous   |
| <b>Finished packaged product transported by air (IATA):</b>    | Non-hazardous   |

### **Section 15: Regulatory Information**

|  |                               |
|--|-------------------------------|
| <b>Designation according to EC guidelines:</b> | Not subject to EC directives. |
|--|-------------------------------|

## **Section 16: Other Information**

**This MSDS contains only safety-related information. For other data see product literature.**

### **ACRONYMS:**

|                          |   |
|--------------------------|---|
| <b>ADG Code</b>          | Australian Code for the Transport of Dangerous Goods by Road and Rail |
| <b>AICS</b>              | Australian Inventory of Chemical Substances                           |
| <b>ASCC</b>              | Office of the Australian Safety and Compensation Council              |
| <b>CAS Number</b>        | Chemical Abstract Service Registry Number                             |
